

## Support Technician Position at the Functional Inorganic Materials team

### Job Description/ Why We're Hiring

We are looking for a support technician to oversee all the aspects relevant to the maintenance and managing of our experimental facilities and to support the experimental routines of our scientific staff (around 20 lab members). We also expect the applicant to procure, maintain and, if applicable, operate lab equipment alongside with monitoring laboratory safety measures.

The position is financed by the European Research Council in the frame of the ERC CONSOLIDATOR GRANT ERC-2021-COG-101043428. Benefits of constant training are offered. Full time position (37 hours/week). 1 year extendable.

### Requirements and Expertise:

- Applicants must have a FPII degree/Certificate of Higher Education (HNC) related to experimental sciences.
- More than one year experience as a laboratory technician or lab manager (handling of instruments, gases, cryogenics, resource management, storage of chemicals, waste management, etc).
- Experience in laboratory supplies management.
- Experience in maintenance of lab equipment

### Desirable:

- Previous Knowledge/experience in a synthetic chemistry lab.
- Good command of the English language.
- Use of office 365 and database management.

### Abilities:

- Ability to think and act strategically and proactively.
- Problem-solving aptitude.
- Teamwork, proactivity, and empathy.

Applications should be **addressed to Carlos Martí-Gastaldo** ([funimat@icmol.es](mailto:funimat@icmol.es)) and sent via email in a single PDF document. *This file should include your curriculum vitae, professional experience, and contact details or references from previous position.* Applications will be considered as received until the **6<sup>th</sup> of October**. Shortlisted candidates will be interviewed in English remotely before appointment between November-December 2023.

Please note that because of the large number of applications expected we will not be able to give individual detailed feedback to unsuccessful applications. Your application will be treated confidentially.
